

Look Within

**GIVE A LITTLE BIT,
MAKE A LEGENDARY DIFFERENCE**

Challenge accepted

Jake's House has challenged us to *look within*. Look within our organization and ourselves to find creative, fun ways to raise funds in support families living with autism.

Let the games begin

1. Register your team at jakeshouse.ca/lookwithin

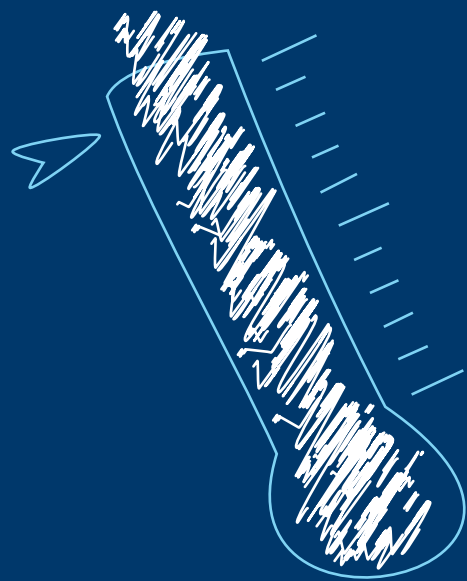

2. Organize a DIY fundraiser

Channel your creative and competitive spirits! Think up fun ways to collect donations—and consider challenging another team or organization to a fundraising competition!

3. Set a fundraising goal & track your progress online

4. Post the fun with #TeamLookWithin

5. Enjoy A Legendary Night!

For the win

All *Look Within* contributions go directly toward the growth of the Legends Mentoring Program.

Top fundraisers win tickets to A Legendary Night! Hosted by Jake's House on, this World Autism Awareness Day event features discussions between prominent figures on the current Canadian autism landscape and a live performance from Supertramp's Roger Hodgson, singing the hit song Give a Little Bit and other fan favourites.
