#### JAKE'S HOUSE OVERVIEW

Jake's House is a registered Canadian charity with a mission to provide meaningful support to families living with autism across the country.

Jake's House recognizes that more than any other single issue, families dealing with autism need a *community*. The charity is built on understanding families and their needs, on connecting them to a strong support system, and on providing everyone a place to belong.

In addition to growing a caring, committed community, Jake's House offers a continuum of structured services to provide practical help today and lasting hope for tomorrow.

Through four strategic offerings;

1. Social Events for the whole family;
2. Mentoring programs for youth;
3. Employment opportunities for young adults;
4. Housing for individuals on the spectrum throughout their entire lifespans

Through these events and services, as well as other strategic initiatives, Jake's House strives to empower individuals with autism; offer their caregivers support and respite; raise awareness; share resources; and build a caring community. Jake's House is dedicated to delivering assistance to those who need it right now, while also determined to establish a support system for future generations.
